Dear [REDACTED]

STAT

I wish to extend my gratitude for your excellent work and support of the FBIS Headquarters Engineering Division Front Office during this summer of 1988. Your tenure as Summer Only has been an asset not only to Headquarters Engineering Division, but all of FBIS' Engineering Support Group.

We wish you the best of luck as you enter Bluefield College this Fall in pursuit of your Law Degree.

I hope this assignment has been beneficial and we look forward to welcoming you back to FBIS in the future.

Sincerely,

STAT

Deputy Director
